MEMORANDUM FOR: Acting Deputy Director for Administration  
SUBJECT : Weekly Report

25X1A 1. [REDACTED] Communications service was provided

25X1A establishment of a third communications position [REDACTED]

25X1C 3. NSA: OC representatives met with NSA to discuss an  
NSA request for [REDACTED] SKYLINK support to an NSA intercept pro-  
gram. We advised NSA that our system is not designed to handle  
their extremely broad band requirements.

25X1A 4. [REDACTED] Seawall: Construction of the concrete seawall  
25X1A at the [REDACTED] transmitter site is 22% complete. By the original  
scheduling the project should now be 50% complete. There is no  
new impact as a result of the slow progress, since OC is already  
coping with the additional maintenance required in the absence  
of a suitable seawall.
